The Conference's details |
The event is organized by the Faculty of Economics, Administration and Business (until 2021 the Faculty of Economics and Public Administration) of the Stefan cel Mare University of Suceava in partnership with the Association of Romanian Faculties of Economics.
The main goals are to bring together researchers in economic areas from national and international partner institutions and to establish a working group to promote a better understanding of new challenges,

opportunities and threats for a sustainable development generated by globalization and competition.
Academic research papers, post-doctoral research or PhD research papers, case studies and workin-progress are welcomed. See more…
